NEW LINE-UP FOR ALL-HAWAII

Suggested That Joy Be Put in
Catcher's Position In-
stead of Box.

Every fan in the city has a different
choice for the members of the team
which will represent the Honolulu
Baseball League when "Mique" Fish-
er brings down his Coast League team
at the close of the season in Califor-
nia. A member of the Diamond Heads
has brought out a new list, some fea-
tures of which are very good indeed.
The most interesting and perhaps the
best suggestion, is to play Barney Joy
behind the bat. Joy can play this
position, though he is not fond of it,
better than anyone in the islands. As
a matter of fact there is not a first-
class catcher in the city. If he will
play with the mask and big glove it
will solve one of the great difficulties
on the team.

The line-up suggested is as follows:
Catcher, Joy; pitcher, Reuter, Hamp-
ton; first base, Gleason; second base,
Darcy; shortstop, Evers; third base,
Busnell; outfielders, E. Desha, E. Fer-
nandez, Aylett.

This would present a hard hitting
team with the best fielders in the
league in the positions on the teams
which they now occupy. It would cer-
tainly be a hard team to beat and if
defeated by the Coast League players
would have no excuse to offer. How-
ever, each fan has his own choice and
the team picked yesterday morning in
the Advertiser has been torn to pieces
by half the fans who visit the games
each Saturday.

It is stated that the "Thirdbase
Rooters," who make more noise at the
games than the rest of the crowd com-
bined, will soon have a team selected
as their choice. This should be inter-
esting.

cheap. See Honolulu Gas Co., Ltd.

LEAGUE TO MEET TODAY

At the request of several teams in
the league, a meeting of the baseball
league will be held this afternoon at
the office of President Frank Thomp-
son, to select a scorer to take the
place of E. L. Cutting, who left for
the Coast on the Hiloan. Cutting
has given such universal satisfaction
that it will be hard to find a man
capable of filling his place and hand-
ling the work as it has been done in
the past.

YOU WILL NOT

be deceived. That there are cheats
and frauds in plenty everybody
knows; but it is seldom or never
that any large business house is
guilty of them, no matter what
line of trade it follows. There
can be no permanent success of
any kind based on dishonesty or
deception. There never was, and
never will be. The men who try
that are simply fools and soon
come to grief, as they deserve.
Now many persons are, neverthe-
less, afraid to buy certain adver-
tised articles lest they be hum-
bugged and deluded; especially
are they slow to place confidence
in published statements of the
merits of medicines. The effec-
tive modern remedy known as

WAMPOLE'S PREPARATION
is as safe and genuine an article
to purchase as flour, silk or cot-
ton goods from the mills of
manufacturers with a world-wide
reputation. We could not afford
to exaggerate its qualities or mis-
represent it in the least; and it
is not necessary. It is palatable
as honey and contains the nu-
tritive and curative properties of
Pure Cod Liver Oil, extracted
by us from fresh cod livers, com-
bined with the Compound Syrup
of Hypophosphites and the Ex-
tracts of Malt and Wild Cherry;
and how valuable such a blend-
ing of these important medicinal
agents must be to plain to every-
body. It is beyond price in In-
somnia, Anemia, Weakness and
lack of Nervous Tone, Poor
Digestion, Lung Troubles and
Blood Impurities. Science can
furnish nothing better—perhaps
nothing so good. Dr. W. H.
Dafre, of Canada, says: "I have
used it in my practice and take
pleasure in recommending it as
a valuable tonic and reconstruc-
tive." It is a remedy that can
afford to appeal to its record
and represents the science and
knowledge of bright and aggres-
sive medical investigation. "One
bottle convinces." At chemists.

POLO LINE-UP OF TEAM FROM MAUI

Ponies From Other Island
Said to Be Finest That
Could Be Found

While the Oahu Polo Club has been
getting ready for the August tourna-
ment against Maui, the members of
the Makawao Polo Club have been by
no means asleep. They have been
practising steadily through the season
and have the advantage of the local
players in the fact that they have
played together right along, while the
local men have divided up, so that
two even teams might be organized
for games on Kamehameha Day and
the Fourth of July. As the result of
this the Maui players have perfected
their team play thus early in the sea-
son, and should put up a most formid-
able front against local men.

The men who will play against Oa-
hu have been picked out for some time
and have been playing together as fol-
lows:

G. W. Wilbur, Kailua, No. 1; C. C.
Krumpholtz, Hamakua, No. 2; F.
F. Baldwin, Puunene, No. 3; D. L.
Fleming, Hamakua, No. 4.

The Maui team is a good deal heav-
ier than that which played here in
previous tournaments and their ponies
are the pick of the islands. In speed
they are, of course, an unknown quan-
tity in comparison with the ponies of
the Oahu boys, but the stories which
come from Maui indicate that they
can turn on a ten cent piece, when
running at their fastest. When the
Claudine brings them in they will be
carefully inspected by the local play-
ers, who would dislike to be outfooted
by their opponents.

TALKS ABOUT THE FIGHTERS

Squires wants John Burns to fight
him in Australia, but it is doubtful if
the match will ever come off. Burns
has too many chances on the Coast to
make good, and can always fall back
on the six-round goes in Philadelphia.
His next logical opponent is Jack
Johnson. The big negro beat Bob Fitz-
simmons easily and has always made
a good showing. Burns has never
drawn the color line and the match,
which is in process of negotiation be-
tween the two men and San Francisco
promoters, should be a good one.

Johnson has the following to say
about the Squires-Burns go:
"Didn't I tell you Squires was the
biggest sucker that they ever sent
over? Why, Jack Palmer could lick
him. He never did anything, never had
anything and never will amount to
anything. Lucky punch? Stop that
noise. When you go in the ring you
go in to give it or get it, don't you?
Squires got it—that's enough."

"I will fight Burns any way he wants
—clean break, straight rules, cut the
purse or winner take all. He is not a
champion until he beats me, and I am
recognized as the best big man in
America today."

Frankie Neil, the American bantam-
weight champion, has gone East to
try his hand at the six-round game in
Philadelphia. He has been trying for
some time to get on a match with Abe
Attell, the king of the featherweights,
but it has been impossible to bring
the rivals to an agreement on terms.
Weight seems to cut no figure with
Neil. He has his eyes on several dis-
tinguished boxers who scale some ten
pounds more than he does. The differ-
ence in weight does not deter him from
seeking a match with them. There is
bad blood between Neil and Attell, and
any match between them would be bi-
tterly contested. Neil has been unfor-
tunate in not being able to find any
opponent who would make an attrac-
tive match with him in the eyes of the
promoters. They have always pleaded
that they could not afford to put him
on, as there were other matches which
would draw much better.

Another English boxer has come to
America in quest of honors and dol-
lars. This is Jack Goldswain, a clever
lightweight, who is highly spoken of.
It is expected his first tryout will be in
a six-round fight in Pennsylvania. The
best two men in his class in the East
at present, excepting Champion Joe
Gans, are Tommy Murphy and Young
Erne. The latter is pronounced fast
and clever and is the boxer who
dimmed the light of Summers, the
Englishman, who made a good start in
this country, but lost much prestige
owing to the poor showing he made
against Erne. The latter took him
such a fast six rounds that he went all
to pieces.

ILL FROM OVERWORK

NERVOUS PROSTRATION CURED
BY DR. WILLIAMS' PINK PILLS.

By Toning up the Blood and Nerves Pa-
tient Recovered Weight, Strength
and Good Spirits.

When the nervous system is broken
down from overwork, or whatever
cause, life loses its joys. Not only is
the nervous victim a sufferer himself
but he is usually a trial to the whole
family. Nervous breakdown is often
gradual, appearing at first to be merely
an unusual fretfulness. Dr. Williams'
Pink Pills tone up the nerves in the
most direct way and not only cure
minor troubles but serious disorders as
well.

Mr. W. W. Munroe, of 16 Hazel Park,
Everett, Mass., says: "About four
years ago this September I became all
run down from overwork and from con-
finement to work during warm weather.
For two months I grew steadily worse.
I lost in weight and strength and had
no appetite. My memory failed me
quite rapidly and I became in a very
low state, both physically and mental-
ly. I took no interest in life, neither
in business nor recreation. In my po-
sition, as foreman in a large manu-
facturing chemist's establishment in Bos-
ton, a good memory is absolutely es-
sential to success because of the im-
mense amount of detail that must be
carried in the head."

"I grew very despairing, could not
bear to have people meet me and my
friends remarked on my condition.
About the middle of December a friend
told me one day that he had tried Dr.
Williams' Pink Pills and found them
reliable. I commenced taking them and
at the end of two weeks the change for
the better was remarked by friends. I
continued using the pills until I was
thoroughly recovered. I regard them
as a fine remedy and make this state-
ment voluntarily in gratitude for the
benefit I received from them."

These pills actually make new blood
and have cured such diseases as rheu-
matism, nervous and general debility,
indigestion, nervous headache, neural-
gia and even partial paralysis and
locomotor ataxia. As a tonic for the
blood and nerves they are unequalled.

If you are a sufferer from any dis-
order of the blood and nerves write for
proof of what Dr. Williams' Pink Pills
have accomplished in cases similar to
yours. Every testimonial used by this
company is carefully investigated be-
fore being published and is authentic.

Dr. Williams' Pink Pills are sold by
all druggists, or direct by mail, post-
paid, on receipt of price, 50 cents per
box, six boxes for \$2.50, by Dr.
Williams Medicine Company, Schene-
ctady, N. Y.

DID SOME PRETTY WORK

The regular weekly shoot for the
challenge cup of the Hawaiian Gun
club was held Wednesday evening at
the Kakaako traps and some of the
best shooting of the season was seen.
J. W. Harvey broke the club record
by scoring fifty birds without a miss
during a practise shoot, but was de-
feated for the trophy by J. Connor,
who tied his score through a handicap
of five out of twenty-five. In the
shoot off he defeated Harvey, scoring
eleven straight to Harvey's ten
straight. The other scores were:

K. B. Porter, 19 out of 20.
D. L. Austin, 18 out of 20.
Irwin Spalding, 17 out of 20.
W. E. Wall, 16 out of 23.
J. A. Robb, 15 out of 21.

BECKLEY CUP ON AUGUST 4

The yacht race for the Beckley Cup
will be held on August 4, instead of
July 23, as had been decided. This de-
cision was reached by the members of
the Regatta Committee yesterday, and
was decided on as the result of the
death of Percy Lishman. His funeral
will be held on the day on which it
was originally planned to give the
Beckley Cup race, and on this account,
out of respect for the deceased, who
was a great favorite with the members
of the Hawaii Yacht Club, it was de-
cided to change the date.

Mrs. Buttin.—Did you notice, Mrs. Ruberino, how brilliantly
lighted the Thrifty's have their house every night? They must
want to show off the new piano.

Mrs. Ruberino.—That's not it; they've had gas put in their
home and it gives them about five times the light for half the money
they have been paying for the other lights. I thought they were
giving a reception the other night and I felt hurt.

Mrs. Buttin.—I will speak to my husband about it and have
gas put in our house.
